Collections for Small Gardens

LILY COLLECTION No. 1

This is the third year I have offered this same collection, for it is the best collection I know of for an amateur's garden.

- Tenuifolium**—A gay little lily blooming in May.
- Golden Gleam**—To bloom with Tenuifolium.
- Amabile**—Follows upon the heels of Tenuifolium.
- Regal**—White, requires little care and gets bigger and better each season.
- Willmottiae**—Adds color in midsummer.

You will be pleased with these.
